

Predictive Oncology Announces \$17.6 Million Private Placement Priced At-the-Market

February 18, 2021

MINNEAPOLIS, Feb. 18, 2021 (GLOBE NEWSWIRE) -- Predictive Oncology Inc. (NASDAQ: POAI) ("Predictive Oncology" or "the Company"), a knowledge-driven company focused on applying artificial intelligence ("AI") to personalized medicine and drug discovery, today that it has entered into securities purchase agreements with certain institutional and accredited investors to raise approximately \$17.6 million through the issuance of an aggregate of 9,043,766 shares of its common stock and warrants to purchase up to an aggregate of 4,521,883 shares of common stock, at a purchase price of \$1.95 per share of common stock and associated warrant in a private placement priced at-the-market under Nasdaq rules. The closing of the private placement is expected to occur on or about February 22, 2021, subject to the satisfaction of customary closing conditions.

H.C. Wainwright & Co., LLC acted as the exclusive placement agent for the offering.

The warrants have an exercise price of \$2.00 per share, are exercisable immediately and have a term of five and one-half years.

The Company intends to use up to approximately \$5.88 million of the net proceeds to repay certain indebtedness and the remainder of the net proceeds for general corporate purposes.

The offer and sale of the foregoing securities are being made in a transaction not involving a public offering and have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or applicable state securities laws. Accordingly, the securities may not be reoffered or resold in the United States except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Securities Act and such applicable state securities laws.

Under an agreement with the investors, the Company is required to file an initial registration statement with the Securities and Exchange Commission covering the resale of the shares of common stock to be issued to the investors within five calendar days and to use its best efforts to have the registration statement declared effective as promptly as practical thereafter, and in any event no later than 90 days after today in the event of a "full review" by the Securities and Exchange Commission.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of such state.

About Predictive Oncology Inc.

Predictive Oncology (NASDAQ: POAI) operates through three segments (Skyline, Helomics and Soluble Biotech), which contain four subsidiaries: Helomics, TumorGenesis, Skyline Medical and Soluble Biotech.

Helomics applies artificial intelligence to its rich data gathered from patient tumors to both personalize cancer therapies for patients and drive the development of new targeted therapies in collaborations with pharmaceutical companies. TumorGenesis Inc. specializes in media that help cancer cells grow and retain their DNA/RNA and proteomic signatures, providing researchers with a tool to expand and study cancer cell types found in tumors of the blood and organ systems of all mammals, including humans. Skyline Medical markets its patented and FDA cleared STREAMWAY System, which automates the collection, measurement and disposal of waste fluid, including blood, irrigation fluid and others, within a medical facility, through both domestic and international divisions. Soluble Biotech is a provider of soluble and stable formulations for proteins including vaccines, antibodies, large and small proteins and protein complexes.
