Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On November 16, 2018, Precision Therapeutics Inc. (the “**Company**”) received a letter from the Listing Qualifications Department (the “**Staff**”) of The Nasdaq Stock Market LLC (“**Nasdaq**”) informing the Company that because the closing bid price for the Company’s common stock listed on Nasdaq was below \$1.00 for 30 consecutive trading days, the Company does not comply with the minimum closing bid price requirement for continued listing on The Nasdaq Capital Market under Nasdaq Marketplace Rule 5550(a)(2), requiring a minimum bid price of \$1.00 per share (the “**Minimum Bid Price Requirement**”). The notification has no immediate effect on the listing of the Company’s common stock.

In accordance with Nasdaq’s Marketplace Rule 5810(c)(3)(A), the Company has a period of 180 calendar days, or until May 15, 2019, to regain compliance with the Minimum Bid Price Requirement. If at any time before May 18, 2019 the bid price of the Company’s common stock closes at or above \$1.00 per share for a minimum of 10 consecutive business days, Nasdaq will provide written notification that the Company has achieved compliance with the Minimum Bid Price Requirement.

The letter also disclosed that in the event the Company does not regain compliance with the Minimum Bid Price Requirement by May 15, 2019, the Company may be eligible for additional time. To qualify for additional time, the Company would be required to meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and would need to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. However, if it appears to the Staff that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, the Staff would notify the Company that its securities would be subject to delisting. In the event of such notification, the Company may appeal the Staff’s determination to delist its securities, but there can be no assurance the Staff would grant the Company’s request for continued listing.

The Company intends to continue actively monitoring the bid price for its common stock between now and May 15, 2019 and will consider available options to resolve the deficiency and regain compliance with the Minimum Bid Price Requirement.
