## Item 8.01. Other Events.

On October 29, 2025, Predictive Oncology Inc., a Delaware corporation, (the “Company”), filed a prospectus supplement (the “Prospectus Supplement”) to the prospectus, dated May 21, 2024, filed with the Securities and Exchange Commission as part of its registration statement on Form S-3 (333-279123) (the “Registration Statement”), as supplemented by its prospectus supplement, dated May 21, 2024, as further supplemented by the prospectus supplements dated April 18, 2025 and June 2, 2025 (collectively, the “ATM Prospectus”). The Company previously entered into an ATM Sales Agreement (the “Agreement”) on May 3, 2024 with H.C. Wainwright & Co., LLC (“Wainwright”), as sales agent, to sell shares of the Company’s common stock, par value \$0.01 per share, from time to time, through an “at the market offering” program pursuant to which Wainwright will act as sales agent.

The Company filed the Prospectus Supplement to amend the ATM Prospectus to update the maximum amount of shares that it is eligible to sell from and after October 29, 2025, and to specify the value of common stock it would be permitted to sell in any 12-calendar month period under General Instruction I.B.6 of Form S-3. As of October 29, 2025, the Company could only offer and sell shares of its common stock having an aggregate offering price of up to \$18,330,000. However, in the event that the Company’s public float increases or decreases, it may sell securities in public primary offerings on Form S-3 with a value up to one-third of the Company’s public float, in each case calculated pursuant to General Instruction I.B.6 of Form S-3 and subject to the terms of the Agreement. In the event that the Company’s public float increases above \$75.0 million, it will no longer be subject to the limits in General Instruction I.B.6 of Form S-3. If the Company’s public float increases such that it may sell additional amounts under the Agreement and the Form S-3 registration statement of which the ATM Prospectus is a part, the Company will file another prospectus supplement prior to making additional sales. As of the date of the Prospectus Supplement, the Company sold securities with an aggregate market value of approximately \$2,417,337 pursuant to General Instruction I.B.6 of Form S-3 during the 12 calendar months prior to, and including, the date of the Prospectus Supplement.

DLA Piper LLP, counsel to the Company, has issued a legal opinion relating to the shares of the Company’s common stock that may be issued pursuant to the at-the-market offering program under the ATM Prospectus. A copy of such legal opinion, including the consent included therein, is attached as Exhibit 5.1 hereto.

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein, nor shall there be any sale of such securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

**Re: Issuance of Up to \$18,330,000 of Shares of Common Stock**

Ladies and Gentlemen:

We have served as counsel to Predictive Oncology Inc., a Delaware corporation (the "Company"), in connection with the sale from time to time of up to \$18,330,000 of shares of common stock, par value \$0.01 per share, of the Company (the "Common Stock") pursuant to the terms of the at-the-market sales agreement, dated as of May 3, 2024 (the "Sales Agreement"), by and between the Company and H.C. Wainwright & Co., LLC (the "Sales Agent").

The Shares have been registered on a Registration Statement on Form S-3 (Registration No. 333-279123), which became effective under the Securities Act of 1933, as amended (the "Securities Act"), on May 21, 2024 (the "Registration Statement").

In connection with our representation of the Company, and as a basis for the opinion expressed herein, we have reviewed originals or copies, certified or otherwise identified to our satisfaction, of the following documents (collectively, the "Documents"):

- (a) the Registration Statement;
  - (b) the prospectus supplement, dated October 29, 2025, filed with the Securities and Exchange Commission (the "Commission") pursuant to Rule 424(b) under the Securities Act, for an offering of up to \$18,330,000 of shares of Common Stock, to the base prospectus and prospectus supplement, both dated May 21, 2024, as supplemented by the prospectus supplements dated April 18, 2025, June 2, 2025 and October 29, 2025 (collectively, the "Prospectus");
  - (c) the Certificate of Incorporation of the Company, together with all amendments and supplements thereto filed through the date hereof (the "Charter"), as certified as of a recent date by the Secretary of State of the State of Delaware (the "SOS"), and by the Secretary of the Company to be in effect on the date hereof;
  - (d) the Second Amendment and Restated Bylaws of the Company, as amended and restated to the date hereof (the "Bylaws"), as certified by the Secretary of the Company to be in effect on the date hereof;
  - (e) resolutions adopted by the Board of Directors of the Company (the "Board") on October 29, 2025 and May 2, 2024, relating to (i) the filing of the Registration Statement, (ii) the offering and sale of the Shares, (iii) the authorization of the execution, delivery and performance by the Company of the Sales Agreement, and (iv) the delegation to certain officers of the Company (the "Authorized Officers") of the power to determine, subject to certain parameters, the number of Shares and the offering price of each Share to be sold from time to time pursuant to the Sales Agreement, as certified by the Secretary of the Company to be in effect on the date hereof (collectively, the "Resolutions");

- (h) the Company's Current Reports on Form 8-K, dated September 29, 2025 and September 30, 2025, filed with the Commission pursuant to the Securities Exchange Act of 1934, as incorporated by reference in the Prospectus;

- (k) an executed copy of the certificate of the Secretary of the Company (the "Certificate"), dated as of the date hereof, as to certain factual matters therein; and
- (l) such other documents as we have deemed necessary or appropriate to enable us to express the opinions set forth below.

In examining the Documents, we have assumed, without independent investigation, the genuineness and validity of all signatures, the legal capacity of all individuals who have executed any of the aforesaid documents, the authenticity of all documents submitted to us as originals, and the conformity with originals of all documents submitted to us as copies (and the authenticity of the originals of such copies), the absence of other agreements or understandings among the parties that would modify the terms of the proposed transactions or the respective rights or obligations of the parties thereunder and the accuracy and completeness of all public records reviewed by us. In making our examination of the Documents, we have assumed that such parties had the power and authority (corporate, trust, partnership or other) to enter into and perform all obligations thereunder, and we have also assumed the due authorization by all requisite action (corporate, trust, partnership or other) and the valid execution and delivery by such parties of such documents and the validity, binding effect and enforceability thereof with respect to such parties. As to any facts material to this opinion, we have relied solely upon the Certificate.

- (c) The number of Shares, and the offering price of each Share, to be issued by the Company from time to time pursuant to the Sales Agreement will be authorized and approved by the Board or the Authorized Officers in accordance with and not in violation of the Delaware General Corporation Law (the “DGCL”), the Charter, the Bylaws and the Resolutions (with such approvals referred to hereinafter as the “Corporate Proceedings”) prior to the issuance thereof and, upon issuance of the Shares, the total number of shares of Common Stock issued and outstanding will not exceed the total number of shares of Common Stock that the Company is then authorized to issue under the Charter.

Based upon the foregoing, and subject to the assumptions, limitations and qualifications stated herein, it is our opinion that:

- (1) The Company is a corporation validly existing under the laws of the State of Delaware and is in good standing with the SOS.
- (2) The Shares have been duly authorized and, when and to the extent issued against payment therefor in accordance with the Corporate Proceedings and the terms of the Sales Agreement, will be validly issued, fully paid and non-assessable.

In addition to the qualifications set forth above, the foregoing opinion is further qualified as follows:

- (a) The opinion in paragraph (1) with respect to the existence and good standing of the Company is based solely on the Good Standing Certificate.
  - (b) The foregoing opinion is rendered as of the date hereof. We assume no obligation to update such opinion to reflect any facts or circumstances that may hereafter come to our attention or changes in the law which may hereafter occur.
  - (c) We do not express any opinion herein concerning any law other than the DGCL (including the statutory provisions, all applicable provisions of the Delaware Constitution and the reported judicial decisions interpreting the foregoing). This opinion concerns only the effect of such laws (exclusive of the principles of conflict of laws) as currently in effect. As to matters of such laws, we have based our opinion solely upon our examination of such laws and the rules and regulations of the authorities administering such laws, all as reported in standard, unofficial compilations. The opinion expressed herein is subject to the effect of judicial decisions which may permit the introduction of parol evidence to modify the terms or the interpretation of agreements.
